“

Being a part of Bergen Volunteers' Nonprofit Agency Membership has been a blessing for our food pantry. With the Get Connected database, we've consistently found reliable, compassionate volunteers to help distribute food to families in need. We were also thrilled to be featured in their monthly newsletter and social media posts, which brought more attention to our mission than we ever imagined.

Partnering with Bergen LEADS participants gave us fresh, innovative ideas to expand our programs. Their team not only helped us strategize a new outreach campaign but also connected us to resources we didn't even know were available. The project resulted in a measurable increase in program participation and new community partnerships. As part of the Nonprofit Agency Membership, this opportunity to collaborate with skilled professionals has been a game-changer for our organization's growth!
